

State Knight of the Month Award

This award is intended to capture a brother's leadership, contribution, involvement, and being a 'role model' within his council. He makes a significant contribution to the tradition of the Knights and our principles of charity, unity, fraternity and patriotism. This is a Knight who shares his time and talents in a vigorous program of service and is enthusiastic and positive in working together with fellow brothers to help their church and their community.

He makes a significant contribution to our fraternal activities and is a recognized leader within his council to improve the good of church and society.

Judgement Criteria

- Active member in charitable works of the order and his council.
- Motivation based on the needs of those we serve.
- Positive and active brother at work, with his family and relationship with others
- Is a role model in protecting and strengthening Christian family life. Demonstrates spiritual sensibility as we work through practical issues of family life.
- Makes a significant impact to his council by providing leadership in educational, religious, service and social activities.
- A brother who is influential and important force within his council. He contributes to the success of his council's programs.

In summary, this is a brother who is directly involved in the service to church, community, council, family and youth to ensure success of council programs.
