

Highest Contribution to Special Olympics Award

The Knights of Columbus' commitment to Special Olympics is an expression of its belief in the intrinsic worth of every human being.

Our order's focus is to empower individuals with intellectual and physical disabilities, to improve their quality of life through sports and beyond sports.

Activities, either the Tootsie Roll campaign or other programs in support of Special Olympics must be reported by submitting the partnership profile report to Supreme and to our State Council Director. We, however, encourage all councils to participate in our Tootsie Roll program which will help raise donated funds for Special Olympics BC and for local Special Olympics chapters.

Awarded annually to the council in our State which raises the most money in the current fraternal year.

Judgement Criteria:

- The amount of money raised and donated to Special Olympics in the current fraternal year.
